(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Japanese Patent Application 2003-052161 is not eligible prior art, therefore rejections of 5/14/2009 and 10/3/2008 which cited it need to be reconsidered. Applicant Intends to submit After Final Amendment that removes substantive amendments to claims made due to this reference. Examiner indicated Amendment would be entered and prosecution would be reopened. .
